Further to our conversation please find attached a condition to which we would request to be added to the licence application of the above premises.

The revised conditions will read as follows:

' A challenge 25 policy will be implemented at the premises, with staff insisting on evidence of proof of age by means of photo style driving licence , passport or other approved recognised proof of age card, from any person who appears to be under the age of 25yrs and who is attempting to purchase alcohol. There will be at least 3 notices / posters in prominent positions inside the premises informing customers that a challenge 25 policy is in operation.

All staff will be trained with regard to the sale of alcohol. The training will include the laws relating to the sale of alcohol to underage persons, persons buying alcohol on behalf of persons under 18 (proxy sales) and persons who are drunk and attempting to buy alcohol. Training will also include acceptable forms of ID. All training will be documented and shall be undertaken every 3 months. The training records will be signed and dated by the DPS and the trainee and detail what training has been provided.

The EPOS system and any manual refusal / incident record shall be checked and monitored on a weekly basis by the DPS with a record maintained of any actions required and / or taken to ensure that members of staff are actively recording refusals and incidents made.

Training records and evidence of monitoring carried out by the DPS will be kept at the premises and will be made available for inspection when requested by Cleveland Police or any other Responsible Authority'.

If you are happy with the revised conditions please reply via this email and I will forward these accordingly to the relevant persons.

Kind regards
