### Overview / Performance and Quality Assurance

<b>Key Issues / Problems or concerns</b>	<b>North Tees and H'pool Trust Quality Accounts</b> – Members have been invited to the annual Quality Account market place event in February where various leads on services are available to talk about their service areas.
<b>Requests for more information</b>	Members have previously requested a visit to the new Drug Treatment service.

### NHS Updates / Consultations

<b>Key Issues / Problems or concerns</b>	<p><b>Better Health Programme</b> –This programme of acute services reconfiguration is now a key part of the local Sustainability and Transformation Plan (STP).</p> <p>The statutory Joint Committee has been formed by all seven affected Authorities (including North Yorkshire) in order to consider and respond to the consultation. In advance of the formal consultation, the Committee will be reviewing the public feedback to date, plans for consultation, and the development of the options appraisal process. The Committee is now named the STP Joint Health Scrutiny Committee.</p> <p>This met on 8 November and local authority chief officers were invited to provide input. Concerns were expressed about engagement with local authorities and the impact on local planning.</p> <p>The Committee was informed that the planned consultation relating to major hospital changes was not now due to go ahead in 2018. The next meeting on 17 January will follow up on these issues.</p> <p><b>National Review of Congenital Heart Disease</b></p> <p>The new National Review included services for adults, and the services provided at Newcastle Hospitals Trust. The region's response to the consultation was submitted last year. Following decisions made by NHS England in November, Newcastle upon Tyne Hospitals NHS Foundation Trust to provide level 1 CHD services (including surgery) until at least March 2021, with further consideration to be given, by NHS England, to the future commissioning of both its advanced heart failure and transplant service and its level 1 CHD service.</p>
